

I'd like to take a moment to comment on Sinclair Broadcasting's decision to air "Stolen Honor," a political tool of propaganda and campaign contribution to the Republican Party.

I strongly urge the FCC to step in and make right this error of judgment on the part of Sinclair Media. Media consolidation has reached an all time high and the FCC's responsibility is to monitor the public airwaves. It is unacceptable that a station do so much campaigning for one group and not the other.

I urge the FCC to disallow this kind of program or insist that another viewpoint be given equal time on air.

We the people have had enough of corporate manipulation. The FCC was established to maintain the interests of the people. We ask you to take up that lantern now and find a balance in so much darkness.

Thank you
